

✘ ALL GLORY TO GOD ALONE ✘

WELCOME VISTORS

We welcome you and are delighted that you have come to worship with us and we pray that your experience is a blessing. Our desire is to be instruments through whom God brings His love into the world. In worship, God comes to us and strengthens us for that task. We ask that both members and visitors sign the registration book that will be passed in each pew. After signing, please pass the book to the outside of the pews. They will be collected by the ushers following the offering.

Also, please stop by our information booth in the lobby, we have a small gift for you. If you are searching for a new church home, we have a visitor's kit for you that share more of Our Savior's ministries.

NURSERY

We have a Cry Room available across from the restroom in the hallway. There is a sound system in the room where you may listen to the service (this is limited to children 3 years and younger). **Families without young children are reminded that the last three rows in the sanctuary are reserved for those families with small children in attendance.**
